Astratech just released!

The Astratech outfit for Genesis 8 and 9 Females, just released

The Astratech Outfit is a futuristic set composed of a sporty short Top, Shorts, and skin-tight Boots.

It features three unique and detailed styles perfect for any futuristic scenario and can be mixed and matched easily: Futurity, New Horizons, and Voyager.

Other News: Proxy free style on Artstation

We just put in motion our plan to release freebies on Artstation. Having them there, as if they are store products, means we do not have to to deal with website traffic limits, broken links and so on, so it gives us peace of mind and they are always reachable.
