The Urban Noise Series

As part of the Urban Noise series, Decibel (dB), Decibel hood-up alternative jacket and the Though Styles are fully compatible with any and all previous Urban Noise clothes and styles.

These means that you can use any of the add-ons already available for Urban Noise on Decibel. At this time this means: [Customize vol. 1](#) and [Customize vol. 2](#) currently available at [Aeon Soul's daz3d store](#).

These also means that you can use any of the styles included with Decibel as well as the new Tough Styles with both [Urban Noise Hz](#) and [Urban Noise FM](#) (also available through daz3d.com).

And something for the men in our Runtimes

On October 23rd we also released a full suite of Poses for the male characters. Both Genesis 8 and Genesis 9 Male are featured in our [Everyday Casual Standing](#), [Man of Confidence](#) and [The Gentleman](#) poses packages.
