Metro Straps release

We're starting the last month of the year with something brand new: **Metro Straps!** This is a stylish set of accessories, although you could also look at it as a unique outfit.

Metro Straps are available in two separate sets: Torso and Limbs to offer a lower entry price. We also created two add-on texture sets: Techwear and Post-apocalyptic. Both of them mix amazingly with a lot of our catalogue, so check out our combos.

The two straps sets and add-on textures are also offered in a bundle to offer an additional 20% off discount to those that are interested in all of them.

Metro Straps is available through all our indie channels: [Patreon](#), [3dShards](#), [FlippedNormals](#) and [Renderhub](#) with an introductory 20% off discount that will be running for two weeks.

Because of its nature, this product promo features tasteful, artistic nudity. You can check out the complete promo on 3DShards, FlippedNormals, RenderHub or on DeviantArt (all require login).

Our post-apocalyptic catalogue

As you might have noticed, we've been building quite the post-apocalyptic / wasteland catalogue in the last year or so and while it is not specifically in style with the season (unless there are bells jingling from your ill-arranged outfit) we want to show all you can mix and match with the post-apocalyptic add-on for Metro Straps

Latest Products : Urban Noise dB

We also want to mention our first indie release from October 31st: Urban Noise dB. Available as full outfit, as Urban Noise Hood Up Hoodie only and as the Tough Styles for any Urban Noise Outfits. The links below will direct you to our Patreon public promo posts.

Urban Noise is one of our **ongoing outfit series** and you can find a bit more about it in our blog post: <https://aeonsoul.com/urban-noise-the-series/>
