## Our 30% off Sale

To end the year on a high note we want to celebrate the Holidays with our first Holidays Sale!

Even though our indie catalogue is quite limited at this time, we want to start the tradition and give a wink to those that prefer shopping with a sale tag ;).

So starting 24th Dec through 2nd January our products on Patreon, 3DShards, RenderHub and Flipped Normals will be 30% off.

A little refresher on our Prices policy, posted here:  
<https://aeonsoul.com/pricing-policy/>

As vendors we have always believed in offering high quality content for fair prices, we want to be straightforward and transparent.

We will feature fair prices year round with special promotions that happen once or twice a year for 20% to 30% off.

In addition to our two-weeks introductory 20% discount, we'll have a

30% off sale in December and perhaps again sometime in the Spring / Summer.

Enjoy and thanks for following along and supporting our indie journey!

## Our sneak peak: Love 2!

We wanted to release Love 2 in December, but good things take time and this one is filled with cute goodies! Stay tuned for more and a coming-very-soon release in our indie outlets.

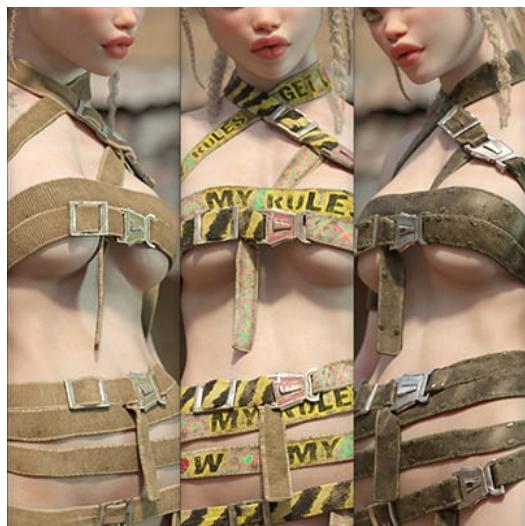

Fun fact: the enamel pin by the small pocket is based on the first actual lapel pin we created a few months back!

## **let's not forget our latest: Metro Straps**

Metro Straps is our latest release of the year and something we're proud of as it's a great set for mixing and matching: Limbs, Torso and two add-on textures sets are also available as a bundle at all out indie outlets (links below)!

## Newsletter freebie: Aureate style for Rosily

Also, don't forget to download the free Aureate style for Rosily. It feature all the options included in the original Aureate for a perfect matching with any of our A'hnys Style sets! The matching styles for the Skirt are coming soon!
