

AeonSoul.com

Well, first of all we just realized our Holidays newsletter was not sent out as planned, with our Holidays wishes, the Sale announcement and our Rosily Skirt download \*sad smiley\*.

Nothing can be done about that, except paying more attention next time and being more mindful going forward!

Our personal three guidelines for the 2026 are: Priorities, Smart Planning and Pragmatism (pragmatism would definitely have helped with the newsletter!), so let's dive in into a creative and inspired 2026!

Thanks everyone for keeping in touch in our indie journey!

## **Post-Apocalyptic for Street Verve**

We're starting 2026 with a trip to the Wastelands! It is not a prediction, just an addition to Aeon Soul's wasteland world.

This add-on allows Street Verve to enrich Aeon Soul's post-apocalyptic wardrobe with both "plain" post-apocalyptic options and spiced-up, punked-up versions.

Street Verve joins a roster of post-apocalyptic outfits and styles that includes our Wasteland Outfit, Metro Straps, City Vibes and Zero One and Zero Two options among other things.

This add-on is available in [our Daz3d store](#) since it's an addition for Street Verve which is sold there.

## Our sneak peak: Love 2!

We wanted to release Love 2 in December, but good things take time and this one is filled with cute goodies! Stay tuned for more and a coming-very-soon release in our indie outlets.

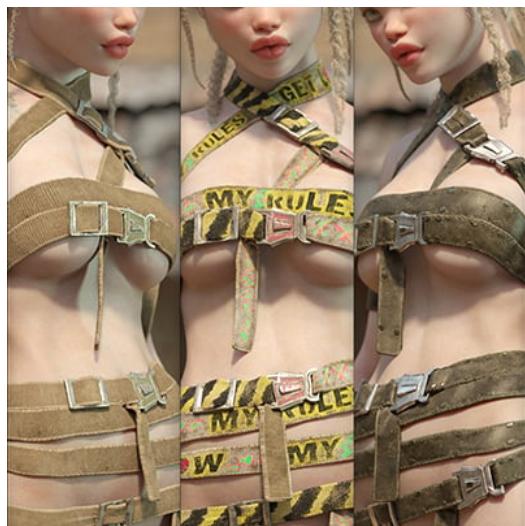

Fun fact: the enamel pin by the small pocket is based on the first actual lapel pin we created a few months back and that we happily sport on our bag, jacket or beanie!

## **let's not forget our latest: Metro Straps**

Metro Straps is our last release of the year and something we're proud of as it's a great set for mixing and matching: Limbs, Torso and two add-on textures sets are also available as a bundle at all out indie outlets (links below)!

# Newsletter freebie: Aureate style for Rosily

Also, don't forget to download the free Aureate style for Rosily. It feature all the options included in the original Aureate for a perfect matching with any of our A'Nhys Style sets! The matching styles for the Skirt are coming soon!
